Technology

## My Visibility Tool (MVT) Invoice App

Launching 17<sup>th</sup> March

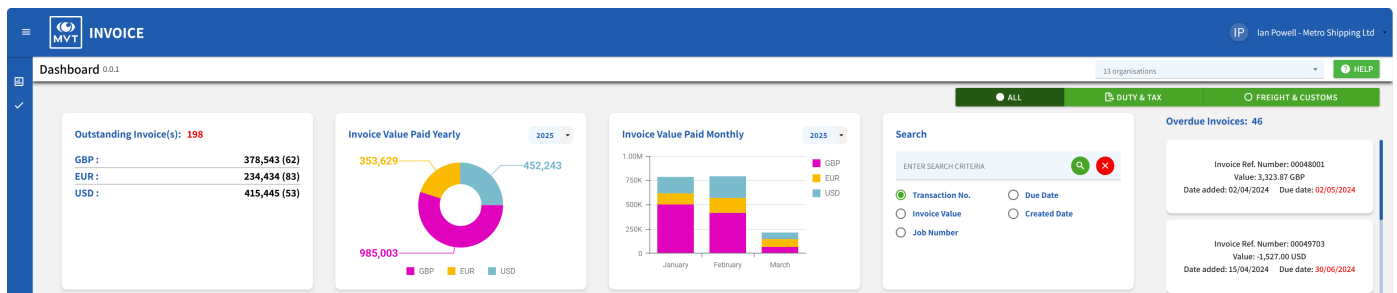

# New! MVT Invoice Application

Metro continue to **innovative** and are proud to launch the **new** Invoice Application bringing additional capability to our **customer facing digital platform**.

The new application launches for BETA testing on 17<sup>th</sup> March with a **technology focused** customer user group.

## Included Features & Functionality

### Visual Dashboard

#### > Outstanding Invoices

Summarised view of outstanding invoice values of all trading currencies.

#### > Paid Invoice value (Yearly / Monthly)

Aggregated view of invoice value paid year to date and monthly in all trading currencies

#### > Invoice Type Switcher

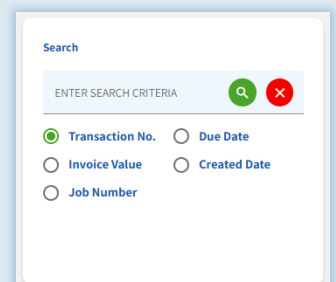

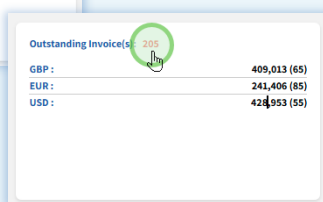

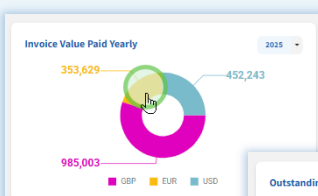

Switch between Freight & Customs and Duty & VAT transactions with the click of a button.

#### > Pre-configured/Quick filters

Use integrated widgets to seamlessly navigate to data you want quickly and efficiently.

#### > Search Function

Find and view copy invoice and credit notes easily with the integrated search feature.

## > View/Download Function

No more chasing for documents : View your PDF Invoice and Credit Note within the app or download your bulk invoice supporting documentation (spreadsheet).

**Outstanding Invoices**

Drag a column header here to group by that column

| Document Type | Transaction Number | Job Number | Company Code | Invoice Date | Due Date   | Invoice Value | Currency |
|---------------|--------------------|------------|--------------|--------------|------------|---------------|----------|
| INVOICE       | 00102714           | S00103387  |              | 15/03/2025   | 14/04/2025 | 8,029.02      | GBP      |
| INVOICE       | 00102668           | S00113802  |              | 14/03/2025   | 13/04/2025 | 14,412.37     | GBP      |
